

2016 Consolidated Candidate Questionnaire

Deadline for responses is July 1th.

(Earlier responses are appreciated.)

In the interest of saving your valuable time, this **Consolidated Candidate Questionnaire** is shared jointly by the **KRA**, (*Kansas Republican Assembly*), **K4L** (*Kansans for Liberty*), **K-Tip** (*Kansans for Truth in Politics*) and **KCFL** (*The Kansas Coalition for Life*). When you complete this ONE questionnaire, you are done, not only with the four organizations above, but also with all Tea Party groups that are associated with **K4L**.

Note that each entity will rate your responses independently.

Directions: Please respond to each question with either an “X” or a narrative response. Comments are not required, and in most cases, do not help or hurt your final score, unless your narrative information is contradictory to your chosen response. If you add comments, please be as concise and to-the-point-as-possible. However, there is no space limit for comments. You may use as much space as necessary to make your point.

Please return your completed questionnaire to Debbie Baker at 2DebbieBaker@gmail.com or by mail to: KRA, POB 20355, Wichita, KS 67208.
